### About us

This is an exciting opportunity to become part of one of Charnwoods key service providers for people with learning disabilities and to make a valued contribution to their lives. We provide quality care to children and adults and we comply with relevant OFSTED and CQC requirements.

### The Role

We are looking for dedicated, enthusiastic individuals to join our team, providing support to adults with learning disabilities within their home and in the community. You will have previous experience of working in somebody's home or of learning disabilities and have the skills to be able to work independently and think on your feet.

You will engage with individuals and explore ways of working to develop new and existing skills. This is an opportunity to work with individuals to achieve positive outcomes, promote independence, social inclusion and healthy lifestyles. You will demonstrate the values that are essential for a role of this nature such as warmth, compassion and empowerment. You will be able to deputise in the absence of the Team Leader.

### Benefits

We are a friendly, well established team and successful individuals will be provided with an environment that encourages personal and professional development. You will receive a full induction including shadowing, ongoing support and training.

- Paid travel time and mileage
- Flexible working hours to suit family or other commitments
- Free annual training
- Pension with company contribution
- Friendly and dedicated office based team

### Essential

- Use of car, full clean driving licence & business insurance
- Relevant NVQ 2 or 3 or similar qualification or relevant experience
- An Enhanced DBS check is required for which we pay
